Dear sir:

Thank you for your reply of Dec. 1968. Enclosing a check for $100.00 as a personal gift to you and as a token of my esteem for the tremendous fortitude which you have shown. Your debate on the Les Crane show (tape delayed) with Mr. Liebler was both inspiring and frustrating to those of us who tend to appreciate your viewpoint or at least to question the Warren Report. At this point, however, I am declining to do much more since I am truthfully unable to fathom the entire situation.

However, I shall watch your career with great interest and wish to extend to you an offer to stay at my residence when you are in the Bay Area. I offer this solely in sympathy with your dedication and for no other motive. Since I am basically non-political. I have conveyed this wish to Mr. Hal Verb by telephone. Again, I wish you the best of luck and hope that you accept my offer.

Sincerely,
/Ken Dekker

P.S. my phone is (415) 452-2409.
